

# ***GREENMAN***

## ***VS THE BAD MEN***

Once upon a time, there was a handsome man called Peter.

He found some green poop on the ground and it got onto his t-shirt.

He became very sick but later on, he got some strange new powers.

With his new powers, he decided to become a superhero.

He became, ***GREENMAN!***

Greenman fought the bad people in the city to make the city safe.

The bad people kidnapped a girl. Greenman defeated the bad people and saved the girl.

After that, Greenman went to the supermarket to buy food. The total price was ten dollars.

Superheroes don't have much money.

Superheroes need to go to bed too.

Greenman found a cheap hotel and went to bed.

Goodnight Greenman!
